

Family Storytime @ TC May 18 & 23, 2013 - GOOD MANNERS!!!

Good manners are crucial to have for everyone of all ages, especially for children who are still developing and learning new concepts everyday. People with good manners are very well likeable by all. Parents are the BEST teachers to their children, for they know them very well and can teach them good habits and manners. Children tend to learn best when they can understand the meaning of words, what they represent, and how they relate to them. Also, reading the same book over and over again will help them remember and learn new vocabulary words.
