## Just listen

by Sarah Dessen.

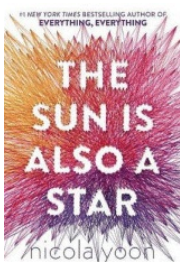

A life-changing event causes Annabel to lose all her friends before her senior year, making her a loner in one of the biggest years of her life. However, someone new comes to town and gives her the chance to finally share her side of the story.

## Eleanor & Park

Rainbow Rowell.

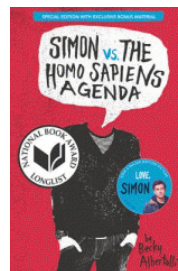

Slowly, steadily, through late-night conversations and an ever-growing stack of mix tapes, Eleanor and Park fall for each other. They fall in love the way you do the first time, when you're young, and you feel as if you have nothing and everything to lose.

## The sun is also a star

Nicola Yoon.

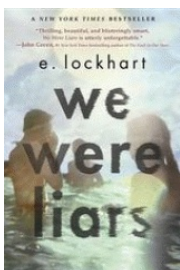

From Natasha and Daniel, to the universe. Every moment in our lives has brought us to this single moment. A million futures lie before us. Which one will come true?

## Simon Vs. the Homo Sapiens Agenda

Albertalli, Becky

An adapted story from the movie Love, Simon. Simon Spier is a closeted gay teen, but when a classmate learns his secret and threatens to out him, Simon is forced to make a tough decision about his future.

## We were liars

E. Lockhart.

A beautiful and distinguished family. A private island. A brilliant, damaged girl; a passionate, political boy. A group of four friends—the Liars—whose friendship turns destructive. A revolution. An accident. A secret. Lies upon lies. True love. The truth.
