

Game of Thrones Readalikes

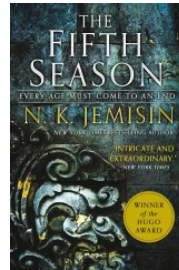

A battle for power. Complicated family politics. Beautiful world-building. Character development. Smart writing. Twists and turns. Sex. A high death toll. Awesome female spies. Dragons. There's a lot to love about Game of Thrones. With the season finale on May 19th (and the fabled sixth book with no publication date in sight), we're all going to lose our favorite obsession. What should you do next? Come to the library and check out one of these ten readalikes!
