

# Family Storytime @ TC May 9, 2013 - Mommies are the BEST!

With Mommy's Day just around the corner (Sun., May 12th, 2013), we have come together to celebrate how beautiful, hardworking mothers all over the world have greatly influenced their children and families, as well as society as a whole. Nobody can replace your mother and she is like a SUPERWOMAN to all. We have recommended some great books to read on Mother's Day and hope that everyday can continue to be Mother/Family Day! Practice reading and singing together to make the mother-children time even more creative and special =) HAPPY EARLY MOTHER'S DAY, EVERYONE! =]
