

Orca Footprints - Environmental Awareness

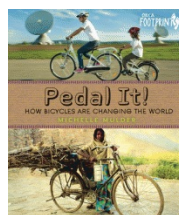

"These books feature accessible texts, appealing layouts, and global perspectives. Inviting choices for informing and inspiring curious readers and world citizens."--School Library Journal Engaging nonfiction for budding young activists... Kids today inhabit a world full of complex--and often mystifying--environmental issues. The Orca Footprints series aims to help young readers answer their questions about the state of the natural world with well-researched, simply-expressed information and powerful images.
